Ordinary triple color laser

ALPD<sup>®</sup> 4.0 RGB+

**ALPD 4.0 Speckle Elimination**

**2800 ANSI Lumens**

**4K UHD**

**80~150"**  
**Large Display**

**23cm**  
**Can Display**  
**100" Picture**

No MEMC

MEMC

## MEMC

**Motion Estimate and Motion Compensation**

**No need to worry about smearing and blurring of high-speed motion pictures**

An exploded view of a speaker assembly, showing various components like the tweeter, midrange driver, and woofer, along with their respective frames and mounting hardware, arranged in a semi-circular pattern against a dark background.

# Sound by Bowers & Wilkins

The choice of luxury car users and professional enthusiasts

 **Dolby Atmos**

**Surrounded by sound,  
Cinema-level enjoyment**

# androidtv 11.0

 Chromecast  
built-in

**1<sup>st</sup> Android TV 11.0**

**latest Android  
latest experience**

**Support 5000+ APPs**

**The built-in Chromecast  
supports one-click screen  
casting**

 Chromecast  
built-in

Put your small screen on your big screen. Quickly cast photos, videos, music, and other content you love from your favorite device right to your TV.

Use your voice to do more on your TV. Press the Google Assistant button and ask Google to search for the latest blockbuster, stream shows or open multiplayer games. Have it dim the lights by connecting smart home devices. Or ask it questions and see the answers right on your TV.
